**Leona Vošická, A la carte wedding, mill Uhrovic**

"My beloved Loukykvět! I would like to thank you once again from the bottom of my heart for our wedding flowers, for my dream wedding bouquet, which was a million times more beautiful than I had ever dreamed."

**Karolina Smula, Full-Service wedding, Lobkowicz Palace**

"Thank you again for making my vision for the flowers come true! We had the BEST wedding. Everything was perfect, including your gorgeous flowers. I couldn't bear to

leave my bouquet behind so I even managed to take it with me back to Switzerland, where we live now!"

**Stefania Sidoli, Full-Service wedding, Savoia castle**

"Again, thank you for the beautiful flowers at the wedding, we are gutted we don't live in Czech Republic to use you all again, but we hope one day in the future we will be able to work with you again."

**Anežka Hřebíková, Full-Service wedding, Maková hora**

"We can heartily recommend this flower farm. I also had very complicated poppies in my flower arrangements, which lasted a record long time thanks to the magic of local florists.

In the end, we also had gifts for the guests in the form of flower seeds from Loukykvět. The approach of the staff is professional, experienced and friendly. The wedding bouquet met with a hugely positive response from the guests."

**Klára Langrová, A la carte wedding, Family hotel Okoř**

"I wanted to thank you very much for the breathtaking flowers. There wasn't a wedding guest who didn't mention how gorgeous they were. I couldn't help but admire the amazingly colorful palette, miniature poppies, different ripe and unripe raspberries, breathtaking dahlias and other flowers and grasses whose names I don't even know. Thanks to you, I felt like a fairy. Passion for flowers and love can be seen in your work. Please thank everyone who participated in the preparation. Thank you very much again."

## Farm and our style

We hold weddings from May to October and we respect the seasonality of the flowers. We have endless flower fields and a huge selection. Stylistically, we adapt to the wishes of the bride, but we gravitate to a relaxed style with interesting texture and details.
